# South Coast Air Quality Management District **INFORMATIONAL MEETINGS**

## Proposed Amended Rule 1469

The South Coast Air Quality Management District (SCAQMD) is hosting two meetings to provide information on Proposed Amended Rule 1469 (PAR 1469) - Hexavalent Chromium Emissions from Chromium Electroplating and Chromic Acid Anodizing Operations. We invite you to attend these meetings that will feature:

- A summary of proposed additional requirements for facilities that conduct chromium electroplating or chromic acid anodizing operations,
- An overview of how the additional requirements will further reduce hexavalent chromium emissions from facilities that conduct chromium electroplating and chromic acid anodizing operations, and
- A public comment session for the community.
